PLAYERS

Understanding when to shift from a 1-4-3-1 back to a compressed 1-4-2-3

Ability to understand when we transition

Different level of players

15-16 players

Primary players: #4, #5, #3, #2,

Secondary Players: #6, #8, #10, #9

OBJECTIVE & LEARNING INTENTIONS

Learning when to transition

When we lose the ball where should we go

Low block and get compact

Attackers track back to get behind the ball

Closes man steps to the ball

RESOURCES

90 minutes (Full-Field)

Assistant Coach to manage the Attacking side

Two large Goals Pinnies

Balls

Pinnies

Cones

Mini Nets

TACTICAL PRINCIPLES / SKILL SETS

Team Tactical Principles:

Drop when out of possession

Get behind the ball

Individual Tactical Principles:

Closes player to the ball applies pressure

Defensive shifting knowing where to shift and when to shift

Skill Sets:

Transitions between zones

Defensive organization

Stepping to win the ball

NOTES:

ORGANIZATION

Start the activity with 1 ball the attacking side is trying to attack the 3 goals

The defending players are understanding the shifting and where the parts of the field they are trying to protect

When one of the defenders step to apply pressure the other defender applies cover to avoid a split pass

TACTICAL PRINCIPLES

Team Tactical Principles:

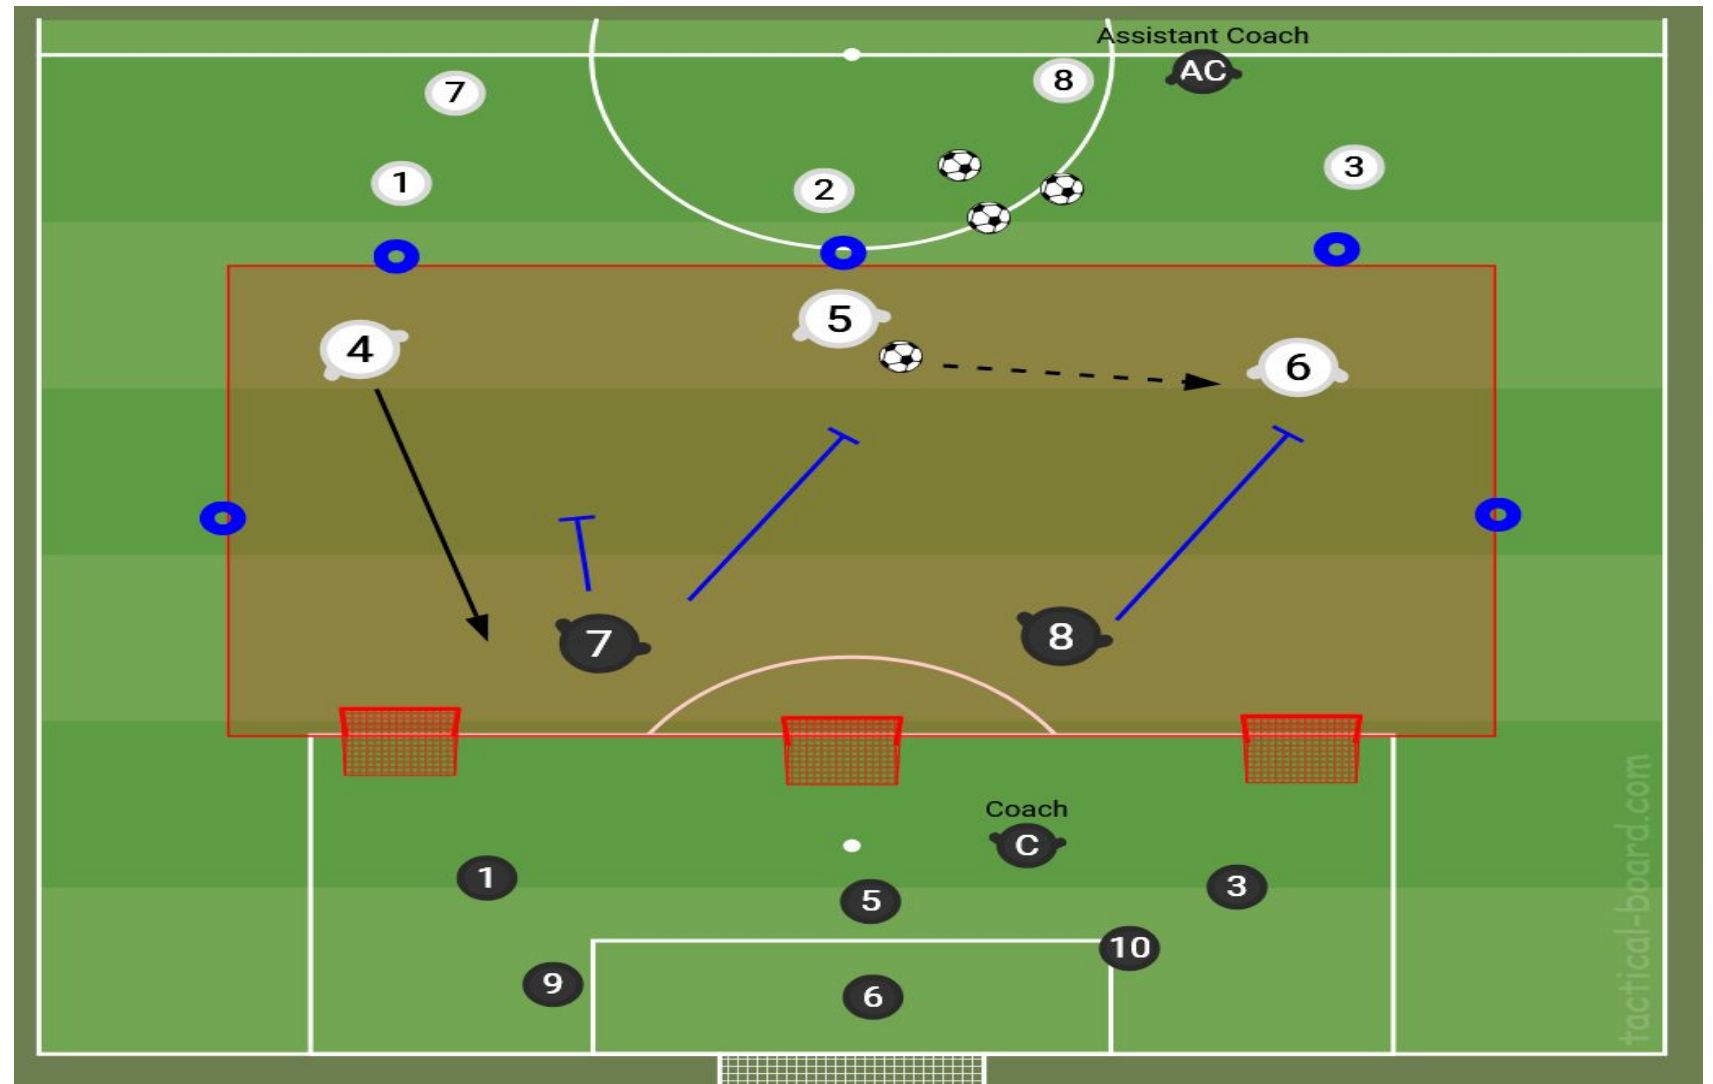

Shift when one palyers steps to apply pressure
Closes player to the ball applies pressure

Individual Tactical Priniciples:

Close the attacker down
Avoid forward movement
Transitiion between channels

Skill Sets:

Body Movement
Head Position
Ability to press

COACHING DETAILS

How tight to be with your defender
If gaps to big easy to split

As soon as teh ball is played movement
must be made

Speed of the movement

Closest player to the ball applies
pressure

As soon as a the ball moves you move

ORGANIZATION

3v3

Defending man marking

Still shifting and avoiding line breaking passes

Each players still needs to understand when to shift

Defenders can now win the ball and look to dribble out of there zone into the yellow markers for a point

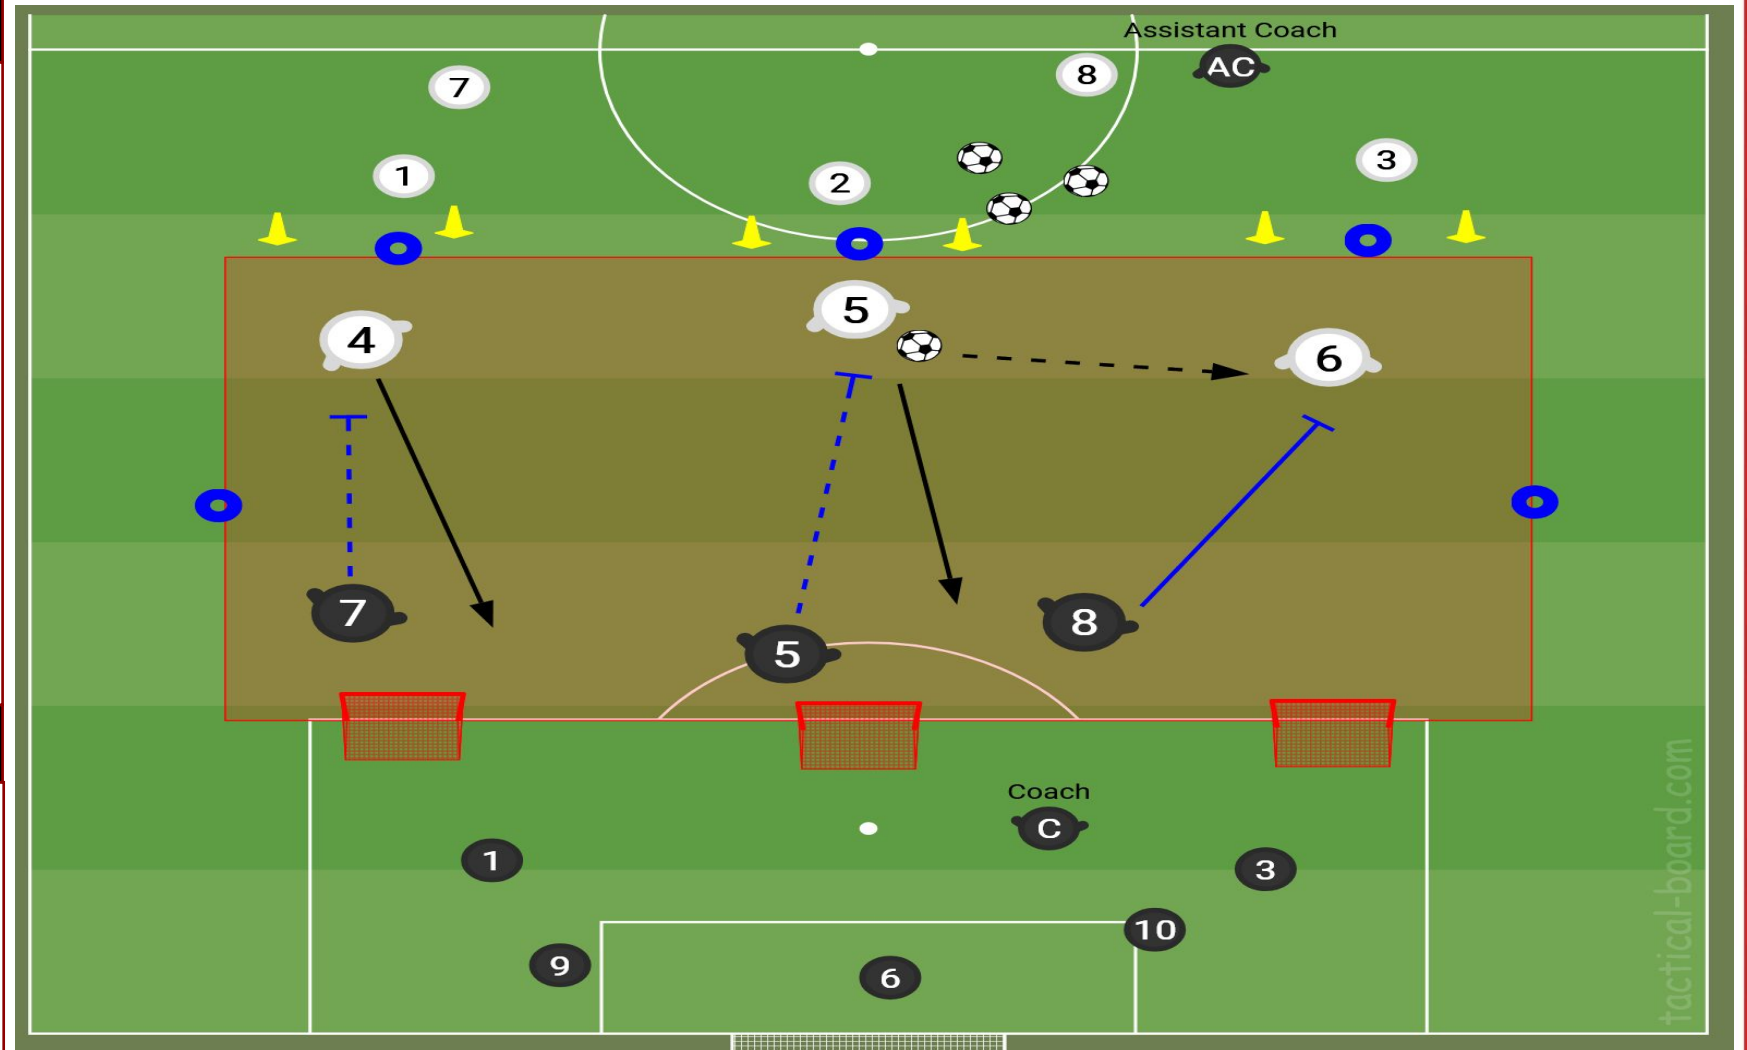

TACTICAL PRINCIPLES

Marking man to man

Shifting and avoiding line breaking passes

Looking to dribble out of space when we win possession of the ball

Tactical awareness of teammates who may be in a n open posisitotn oto dribble out from our defending half

COACHING DETAILS

Body low apply pressure to player with ball

When out of possession be sure to track your man and give him space to receive and close down when ball is played

Step and apply pressure avoid forward play and forward movement

ORGANIZATION

GREYS: 1-3-2-2-1 (#1, #6, #3, #2, #5, #4, #7, #8, #9)

REDS: 2-2-2-1 (#6, #7, #4, #3, #1, #2, #5)

Grey is looking to work on their defensive organization

Looking to score on the small blue goals

DO: HAVE THE 9 DROP BACK AND PLAY 3 IN THE MIDDLE WHEN THEY START TO ATTACK

AO: HAVE THE #9 PUSH UP AND OCCUPY SPACE WHEN WE HAVE POSSESSION OF THE BALL

TACTICAL PRINCIPLES

Team Tactical Principles:

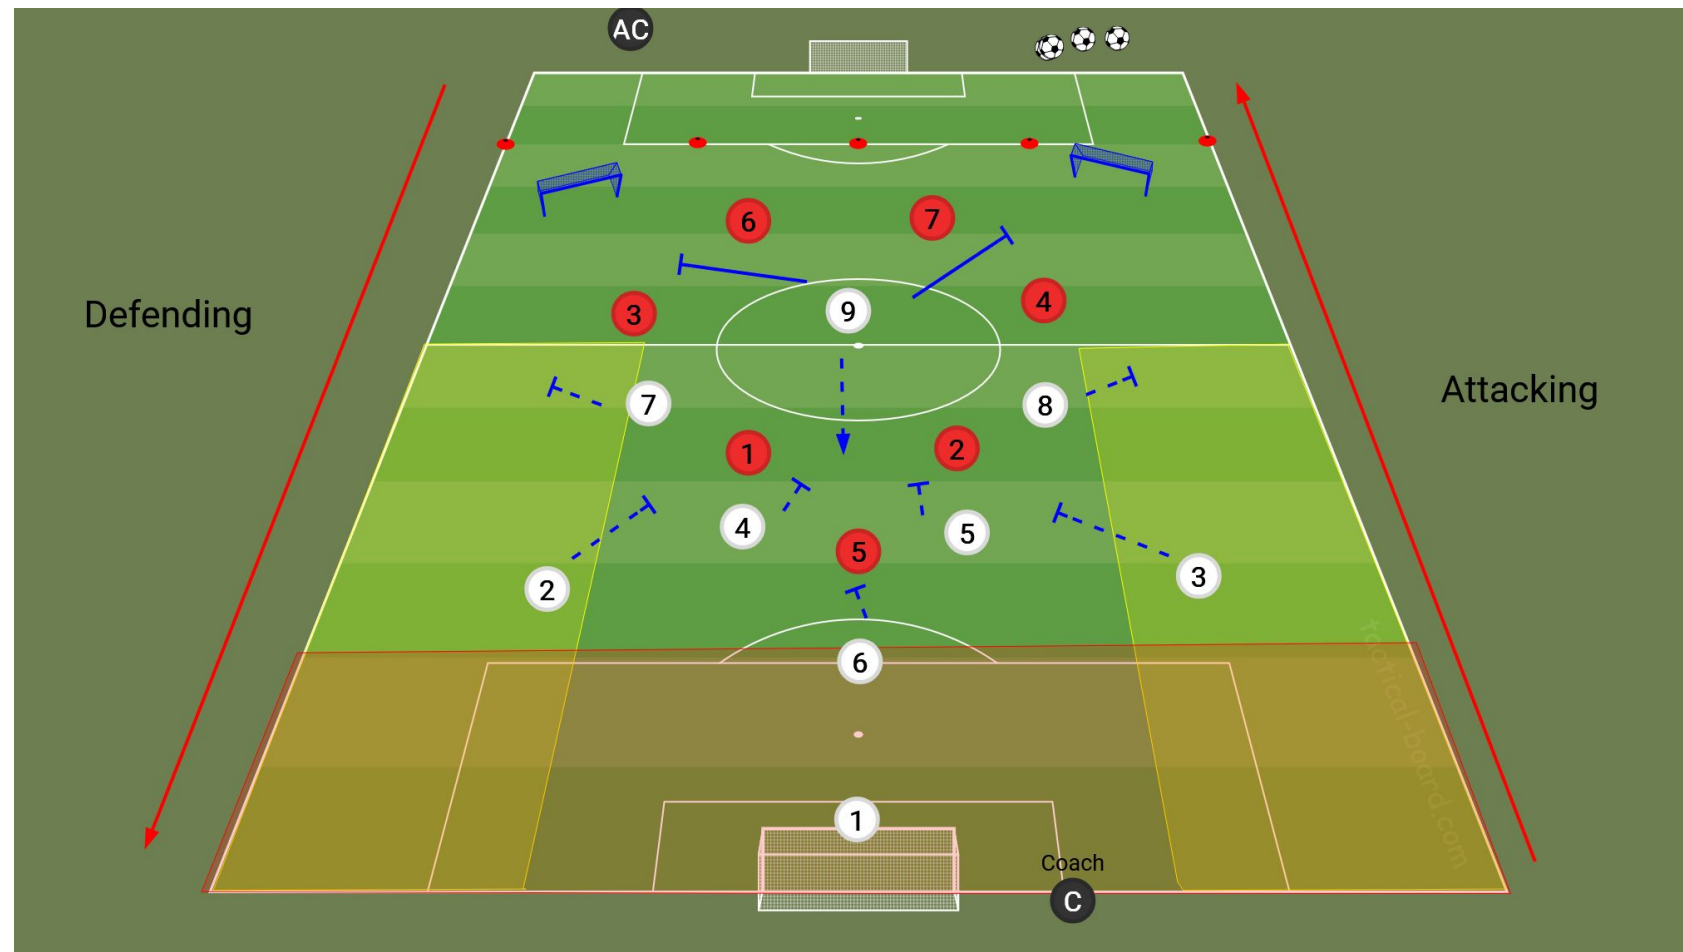

Tuck in when not in possession
Avoid wide build

Individual Tactical Principles:

Tight on the player with the ball
Communicate your movement
Stay compact

Skill Sets:

Occupying Channels
Shifting close gaps
Marking
Closing down your man

COACHING DETAILS

When: we don't have the ball drop and become compact

Where: when we move from zone 2-3 or organization changes

Who-When: number #9 steps up in between there back line when we have the ball

Drops in our midfield when we don't have the ball

Why: We want to be compact and avoid the attacking team from attacking down the middle

Attacking options to get forward with our #9 moving ahead

ORGANIZATION

¾ Pitch

9v9 (1-3-2-2-1 v -1-3-3-2)

Strategy Same as Previous just more space

Fifa Rules

Two goals

TACTICAL PRINCIPLES

Team Tactical Principles:

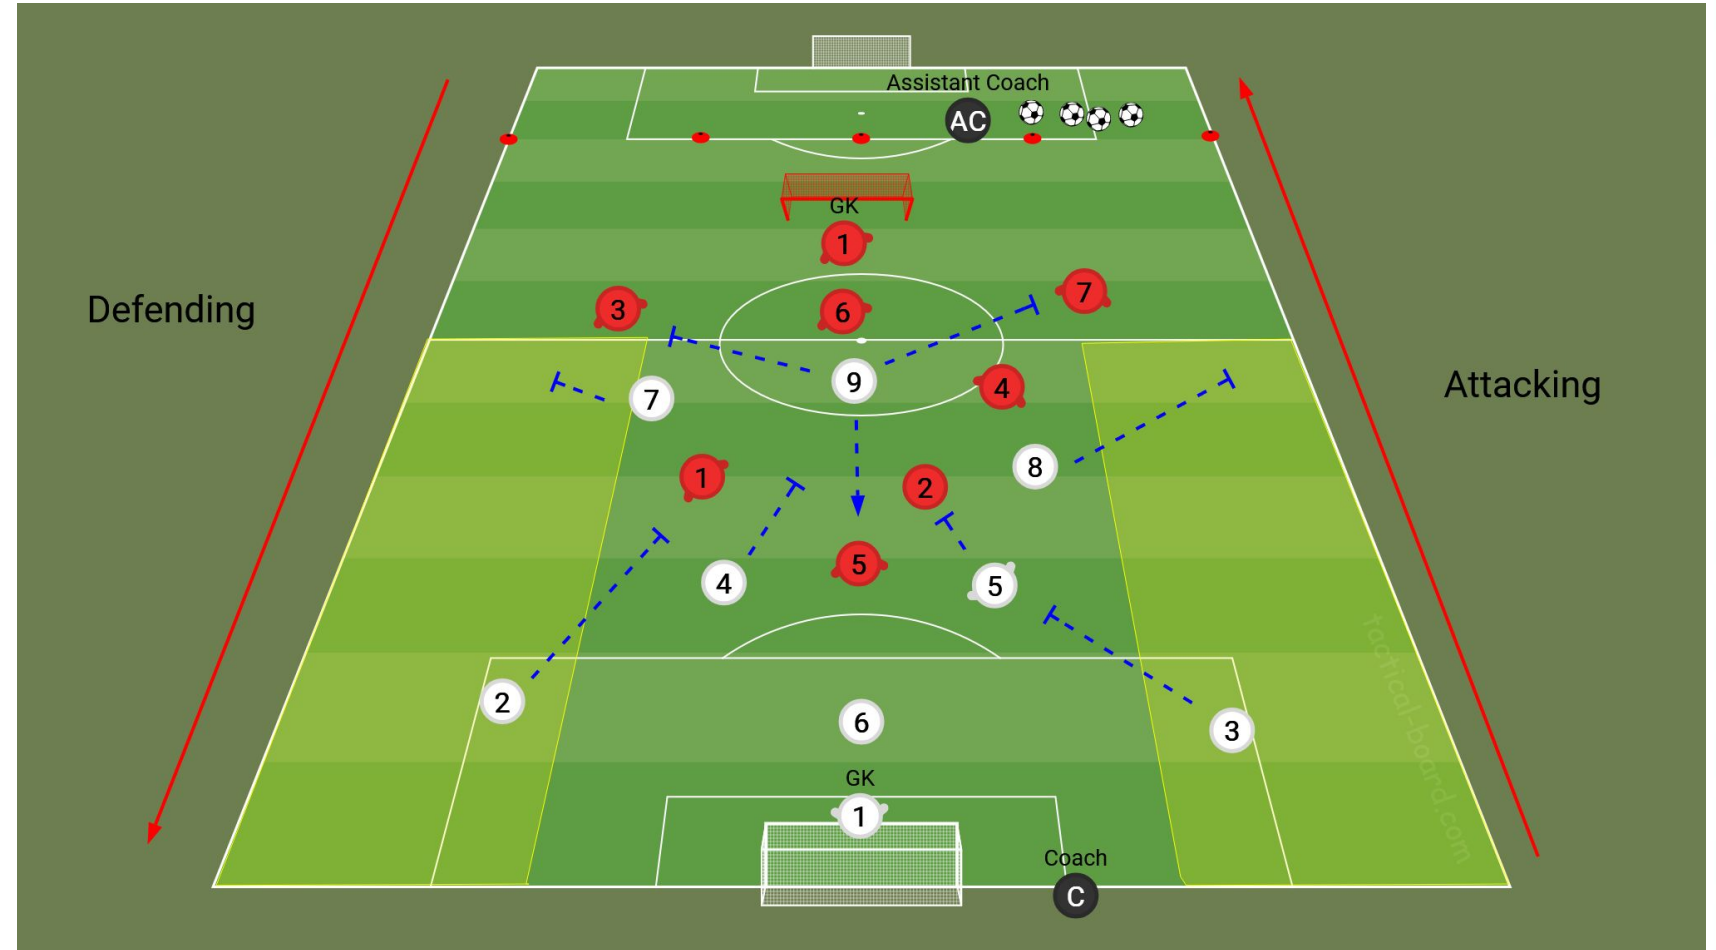

Tuck in when not in possession
Avoid wide build

Individual Tactical Principles:

Tight on the player with the ball
Communicate your movement
Stay compact

Skill Sets:

Occupying Channels
Shifting close gaps
Mark Marking
Closing down your man

COACHING DETAILS

Previous block coaching points

All balls should start from the red side looking to attack the grey. Having the grey work on their defending principles

Half-Time:

Review how we have been transitioning from AO:DO and see if there's anything the we can work on in regards to our defensive organization
